REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of Northside Elementary, in partnership with home and community, is to challenge every child to be a "Learner for Life". It is this team approach that makes Northside such an inviting, warm, safe and nurturing place. Northside has been a Red Carpet school for its service to children and the school community. It is a school of high expectations that wishes the very best for every child. Northside Elementary is a community of 626 students in grades prekindergarten (4) through grade five. There is an even split between male and female students, and a variety of cultural backgrounds are represented. Our class size in grades 1-3 averages 21 and in grades 4 and 5 the average is 23.

Students and staff here at Northside have the privilege of being in a building that is clean and attractive both outside and inside. A recent renovation has added three new wings as well as a full gym, cafetorium, science lab and second computer lab. The media center has an open format and the fine arts program offers many opportunities for our students. Several pieces of student artwork are displayed in the community and around our school. The music program provides many performance opportunities as well as a 5th grade chorus. Physical Education continues to teach students about fitness and general well being. Speech, Reading Recovery, English as a Second Language, targeted assistance teachers, and a resource class all aid in the development of children needing additional assistance. Northside Elementary offers a comprehensive guidance program with a variety of programs to enhance each child's personal well being. A gifted and talented class serves students who score at the state identified level. Instruction is infused with lessons utilizing Smartboards, United Streaming, laptop computers and ipads as well as LCD projectors. The staff of Northside also does a terrific job in handling day to day clerical needs, keeping the school looking great, and preparing a breakfast and lunch program. Support from an active parent group as well as the School Improvement Council provides necessary input for continued growth and school improvement. A 5k/1 mile fun run was enjoyed by many. Community sponsorships from this event will assist in providing field trip cost assistance.

It is this well rounded approach and quality daily instruction that has made test scores of Northside students consistently above the state average. There is a continual analysis of MAP and PASS scores to seek ways to improve upon our daily instruction and support programs. Through the commitment of the Northside staff, it is our goal to meet each child's needs and encourage them to be Learners for Life!
